“ Words cannot express my sorrow for your loss of Frank. Me and Frank met as teenagers in the Forestwood neighborhood and rekindled a friendship through social media the last few years. He truly was a special man and good friend, making me laugh so hard I had tears at times. He was smart, and such a kind, caring person. I wanted to share this picture my old next door neighbor, Billy Horneck, recently sent me. (He took it in the winter so it's not quite as pretty looking that time of year) The kids in the neighborhood called this downed tree the “wax tree”. It was in the woods behind my house on Sandpiper Court just off of New Mill Road. Frank shared with me how much he loved fishing at the tree and swimming in the river with friends. We were lucky to grow up in this wonderful neighborhood and at a great time. He shared many childhood memories like this one with me. Again I am so sorry for your loss. My thoughts and prayers are with you at this difficult time.

“ Frank was my best friend growing up in Forestwood. I have wonderful memories of him, from catching bullfrogs at the sump, to riding on the back of his Kawasaki motorcycle. Bowling, Blydenburgh Park, and camping out in the woods off New Mill Rd. to name a few.

Although we went our separate ways in adulthood, I will always remember him. He was funny, smart, and very outgoing, a favorite among friends.

My deepest condolences go to the Trezza Family, and my thoughts and prayers are with you during this difficult time.

“ While we didn't see one another often, your Mom and Dad let me know all the milestones you accomplished. I always remember you as quiet and gently. It was wonderful that you dedicated your life to serving and saving others. God will reward you for that.

Aunt Theresa and Uncle Jimmy you are in my thoughts and prayer and forever in my heart.

“ I remember suggesting to my aunt and uncle, that they name their new son, "Frank", since he was born on the feast of St. Francis of Assisi - the Founder of my Religious Order. When Frank was three years old and I was 19, I left home to join the Franciscans. Whenever I would meet him at family functions, he was always outgoing and well mannered. He died on a very special day for Franciscans - August 2. It is the celebration of the Church in Assisi where St. Francis founded his Order. On that day, there is a special "pardon" granted by the Church, for all sins committed. I am convinced that my cousin, Frank, was "protected" by those two Franciscan parentheses in his life. May he now know the fullness of God's love for him.

“ Dear Uncle Jimmy, Aunt Theresa and family

Frankie was always kind and quick to say "love ya Cuz!" I will miss that. I regret that I am unable to be with you in your time of sorrow. Wishing you strength and peace in the knowledge that you raised a brave and wonderful son who will no doubt be playing his favorite tunes in heaven.

My deepest sympathy and love,

Your niece Fran
